## label/file folder protectors

**label/file folder protectors** eliminate dirty, worn, dog-eared file folders and file folder labels. Clear, wrap-around, self-adhesive protectors keep file folders and labels clean and prevent them from falling off, extending the life of the folder. **label/file folder protectors** can also be used "flat" to attach miscellaneous materials to any surface.

## file folder end tab protectors

**end tab protectors** are an ideal solution for extending the life of shelf file folders. Clear protectors wrap around folder end tabs, preventing labels from cracking or popping off, plus protecting against wear and tear. Self-adhesive, 8" x 2" protectors can be easily applied to all types of end tab file folders to keep them looking neat and clean longer.

## file folder edge protectors

**edge protectors** keep heavily used file folders looking good longer by protecting edges from cracking or splitting. The 11" x 2" clear, wrap-around protector is easily applied to the bottom edge of a file folder, where the most wear and tear occurs as the folder is moved in and out of shelf and file cabinets.
